JQUERY

REQUIRED READINGS

You are requested to consult and understand the following papers, slides, and links about jQuery:

1. "About jQuery", chapter 1 from the jQuery's official learning center: https://learn.jquery.com/about-jquery/
2. "Using jQuery Core", chapter 2 from the jQuery's official learning center: https://learn.jquery.com/using-jquery-core/
3. "Events", chapter 3 from the jQuery's official learning center: https://learn.jquery.com/events/
4. "Learn jQuery in 15 minutes", YouTube playlist: https://www.youtube.com/playlist?list=PLqGj3iMvMa4KOekRWjjajinzlRK879Ksn

ADDITIONAL MATERIAL

Here you can find additional material on the reading's topic. None of them are requested readings, they are reported here just as references.

- jQuery official website: http://jquery.com
- "JavaScript in 14 minutes", interactive tutorial: https://jgthms.com/javascript-in-14-minutes/. Useful if you need to review some core ideas and functions of the language.
